Dedication

We wish to honor Miss Velma Racop on her 35th year of service at Saegertown High School.

Miss Racop was born in Cambridge Township. She later moved to Cambridge Borough. She attended grade school in Cambridge Township and high school in Cambridge Springs. She entered Edinboro College but transferred to the University of Pittsburgh where she was given a degree. She did graduate work at Allegheny and the University of Pittsburgh. Her first teaching was done in rural schools in Cambridge Township. She taught one year at Randolph before coming to Saegertown. She came to Saegertown as a fifth and sixth grade teacher, but she switched to high school shortly afterward. In high school, she taught English and mathematics but later she taught only English. She now lives in Waterford Township, Erie County.

What is Saegertown High? Is it simply the building, the pupils, or the faculty? Or is it all of these combined with the many little things that make Saegertown High different from other schools? Saegertown High has given each of us a wealth of memories, and this book has tried to capture a few of them. We hope that viewing this book will, many years from now, revive the spirit that was found cheering at the football games, doing homework, standing in the lunch lines, dreading report cards, and singing the Alma Mater.

Sincerely,
Mollie Shoop,
Editor

Our Faculty

Essential to the efficient functioning of any school is the acquisition of a competent faculty. Here at Saegertown, our faculty has grown in the past few years to accomodate the increasing school enrollment. A wide variety of subjects and areas of study is available to the student body through the efforts of the school board in acquiring the teachers whose pictures appear on these pages. To the seniors, many of the faculty are very familiar. To the underclassmen, many will be new, but all are serving in their respective areas to offer you, the student, the best education possible. To them, we are indebted, and to all who help to make Saegertown Area High School a better educational institution.

Junior-Senior Prom--1964

Before the couples could enter into the heavenly scene of last year's prom, they had to first pass "Beyond the Golden Gate". Once in this atmosphere of fluffy white clouds and angel aids, the lovely girls and their escorts spent a marvelous evening dancing to soft music. Amid the swaying dancers stood a shimmering silver fountain. Mark Haemer and Sandy Brown reigned as king and queen on this May night of the Junior-Senior Prom of 1964. Although it was a wet, dreary night, the couples enjoyed an unforgettable evening in a soft, heavenly atmosphere.

ACTIVITIES

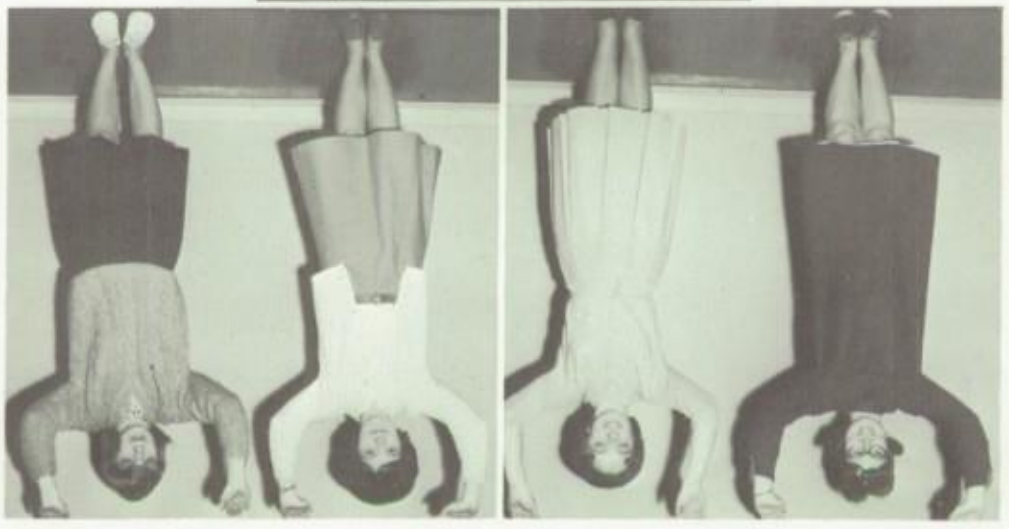
Our Student Council is elected by the members of our student body. They represent integrity, strong character, and leadership. As examples of model citizens, they are expected to lead their school in promoting school spirit, scholarship, and self discipline. This year's Student Council has done much in preparation for another Foreign Exchange Student in our community.

Advisor - Mr. James Bedford, Mr. Merle Darcangelo, President - Allen Edwards, Vice President - Clark Hornstein, Secretary - Darlene Edge, Treasurer - Scott Melville

Our school participates in the annual mock United Nations meeting which is sponsored by the Gannon College. The program provides an excellent opportunity for students to see and discuss the international problems of today. This year our school represented the delegation from New Zealand. In addition to the actual meeting, our delegation attended and sponsored block meetings.

The purpose of this year's yearbook staff was to produce a yearbook that would recall fond memories of school experiences. The staff made its annual visit to the Keller Publishing Co. and directed another production of the annual school Variety Show.

Members are Mollie Shoop - editor, Francis Nodler, Charlene Huff, David Shreve, Sue Fargo, Steve Baldwin, Jan Dillaman, and Alice Atwell. Advisor - Mr. Richard Baker



This year's Foreign Exchange Committee has led our school and community in the promotion drive for next year's foreign exchange student. We offer them our thanks and congratulations for the fine job they have done in planning for this event.

Commercial Club - President-Darlene Edge, Vice President-Becky Miller, Secretary-Margie Rohleder, Treasurer-Janice Dillaman, Advisor-Mr. Keba

Purpose - The main purpose of the Commercial Club is to raise money for the seniors to take a trip towards the end of the school year. It does this by selling candy and programs which further the interests of commercial students, and also benefit the athletic functions as well.

Newspaper Staff - Editor-Linda Terrill, Co-Editor-Janice Dillaman, Secretary-Darlene Edge, Treasurer-Anne Stewart.

Purpose - Our "Panther Flash" consists of news occurring in one month's time, gathered and printed by the "Panther Flash" staff. A brief outline is made of school activities, clubs, and things of general interest to the student body. The commercial students get training by doing this as well as learning to work with others.

Honor Societies

Members of the Honor Societies consist of students who are outstanding in scholarship (have maintained a "B" average or better), character, leadership, and service to the school.

Future Homemakers of America

Advisor - Mrs. Lois Allen; President, Carol Perry; Vice President, Paula Acker; Secretary, Kathy Price; Treasurer, Carol Shelly; Parliamentarian, Susan Shorts; Historian, Carol Cutshall; Song Leader, Betty Motherwell; Reporter, Linda Vivian

This year, further interest in home economics and citizenship was stressed by the F.H.A. They purchased several pieces of equipment for the home-ec department. Some of the members participated in demonstrations at the Pennsylvania Farm Show.

Future Teachers of America

Advisor - Mr. Harold Osborne; President, Melanie Kubachko; Vice President, Martin Randolph; Secretary, Jane Boyd; Treasurer, Kaye Phelan

The F.T.A. has had several organized activities this year. National Education Week in November and Teaching Career Month in April were observed by several members as they taught classes in their chosen fields under supervision of the regular teachers. A day was set aside for a field trip to Edinboro State College, and three club members later attended an F.T.A. workshop at Conneaut Valley High School. Other activities have included the operation of the coat-checks at sports events and special services to teachers.

Advisor - Mrs. Joan Strickler; President, Nora Hayes; Vice President, Ruth Braymer; Secretary, Linda Koehler; Treasurer, Brenda Koehler; Parliamentarian, Kyle Davis; Historian, Susan Wood; Reporter, Nancy Smock; Songleader, Emily Sproull

The Jr. F.H.A. is for the younger girls interested in homemaking. Their service to others was shown by packing baskets for the needy and making a contribution to "Care."

The Pep Club is a newly formed organization this year. The club's goal is to get more students to cheer and back the team in all their games. The Pep Club also puts on various assemblies for the student body.

The purpose of the Dramatics Club is to create an interest in the field of dramatics and to maintain that interest. The main object is to present a good play which is enjoyable to both the listener and the participants.

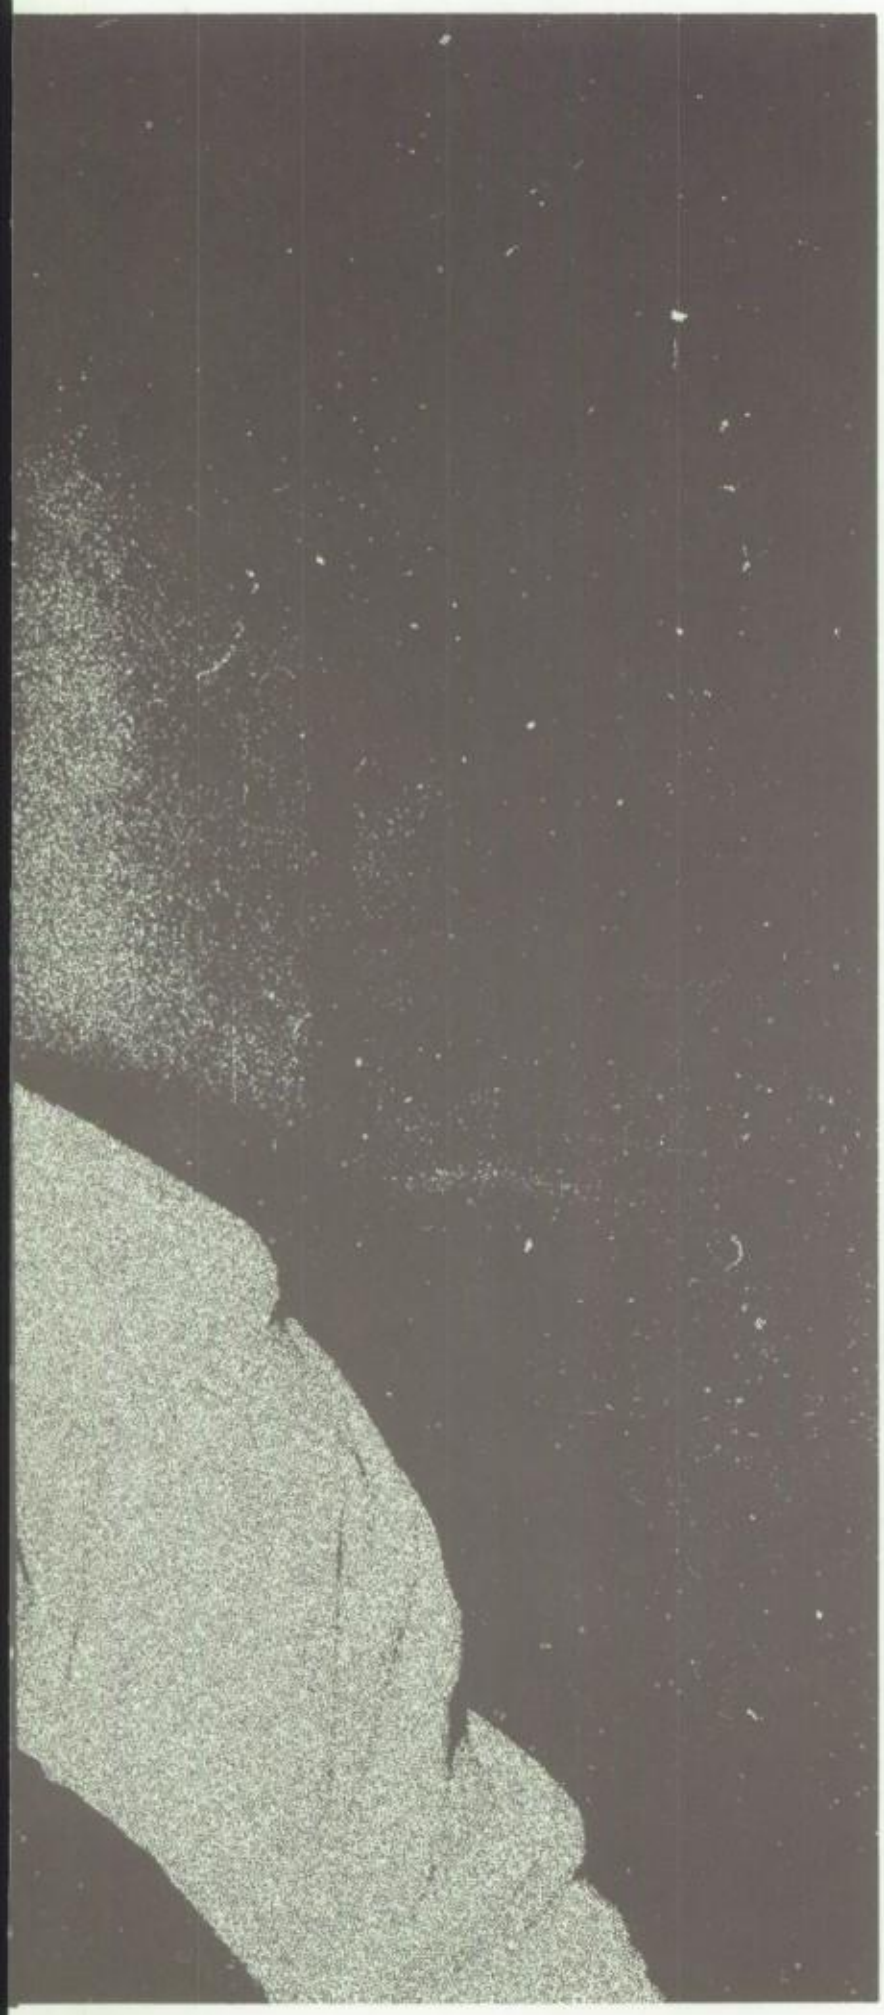
ATHLETICS



Football '64

Our football team's theme song this year was "The Animals," and the players certainly acted their parts well. Generally speaking, our team did fairly well this season. Our "animals" stalked their prey and pulled it down, team by team. Then on the last day of the season, our jungle cats were defeated, packed into Noah's Ark, and sent back to Saegertown, thwarted of their quarry, victory.

Our senior players this year were Scott Melville, Clark Hornstein, Gary Reagle, Cliff Matthews, Martin Randolph, Martin Heald, Richard Mangus, Gary Acker, Howard Floyd, Larry Crecraft, Terry Huiett, and Ned Manning.

Homecoming

This year's homecoming queen was Miss Eileen Simon. She was one of ten girls chosen by the senior boys. The teachers eliminated five girls, and the student body voted on the remainder. They were Darlene Edge, Jane Smith, Chris Davies, Trudy Johnson, and Eileen Simon. On Friday, October 17, 1964, an assembly was held in which the queen was crowned.

The game was held with Cambridge Springs High School that evening. The queen and her court were paraded in convertibles at half-time. Scott Melville presented Eileen with two dozen long-stemmed roses.

Basketball

Our 1964-65 basketball team fought its way into second place in the league with determination and desire. The team was rather short in stature, but big in the other departments. Sparked by our seniors, Clark Hornstein and Scott Melville, the top two county league scorers, the team displayed that real "hustle" which was the key to success this year. Mr. Darcangelo should be commended on his fine coaching, which was essential for a winning team. The Panthers ended the season with a 14 and 7 record.

The other senior members were Red Crecraft and Ron Phelan who, in their first year, strengthened the Junior Varsity team.

This year our mighty Panthers had a very outstanding wrestling season. The team had a record of ten wins and three losses.

Although five of our best boys will leave this year, we should have a very powerful squad next season. Many of the younger boys have been wrestling on the Junior Varsity team since the seventh or eighth grade. With all of this experience under their belts, they're bound to be good.

The five boys that are leaving this year are Gary Fernberg, Howard Floyd, Gary Reagle, Chuck Stone, and Jim Poole. Two boys went to the District Wrestling matches, being the Section IV champs in their weight classes. They were Dick Braymer, 95, and Gary Reagle, 138. Both were runnerups in the matches.

The G.A.A. provides an opportunity for junior and senior girls to participate in such sports as basketball, volleyball, and tumbling. These activities help develop teamwork and fitness which are essential for every day life. The G.A.A. holds regular Saturday meetings and challenges G.A.A. teams from other schools to basketball games.

The 1964 girls' volleyball team was under the fine coaching of Mrs. Frances Smock. Our girls emerged from the tournament, the Crawford County Champions. They had a perfect 7 and 0 record. Then our skillful players defeated Harborcreek for the Erie County Championship. These girls were awarded jackets for their fine effort.

The members of the G.A.A. and tumbling team wish to express their gratitude to Mrs. Phyllis Carr for all the time and effort she contributed to them.

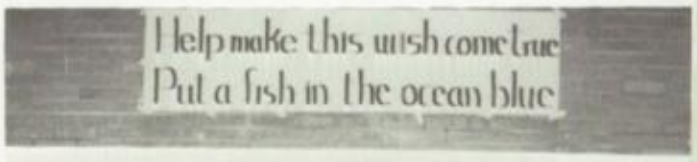
Remember These?

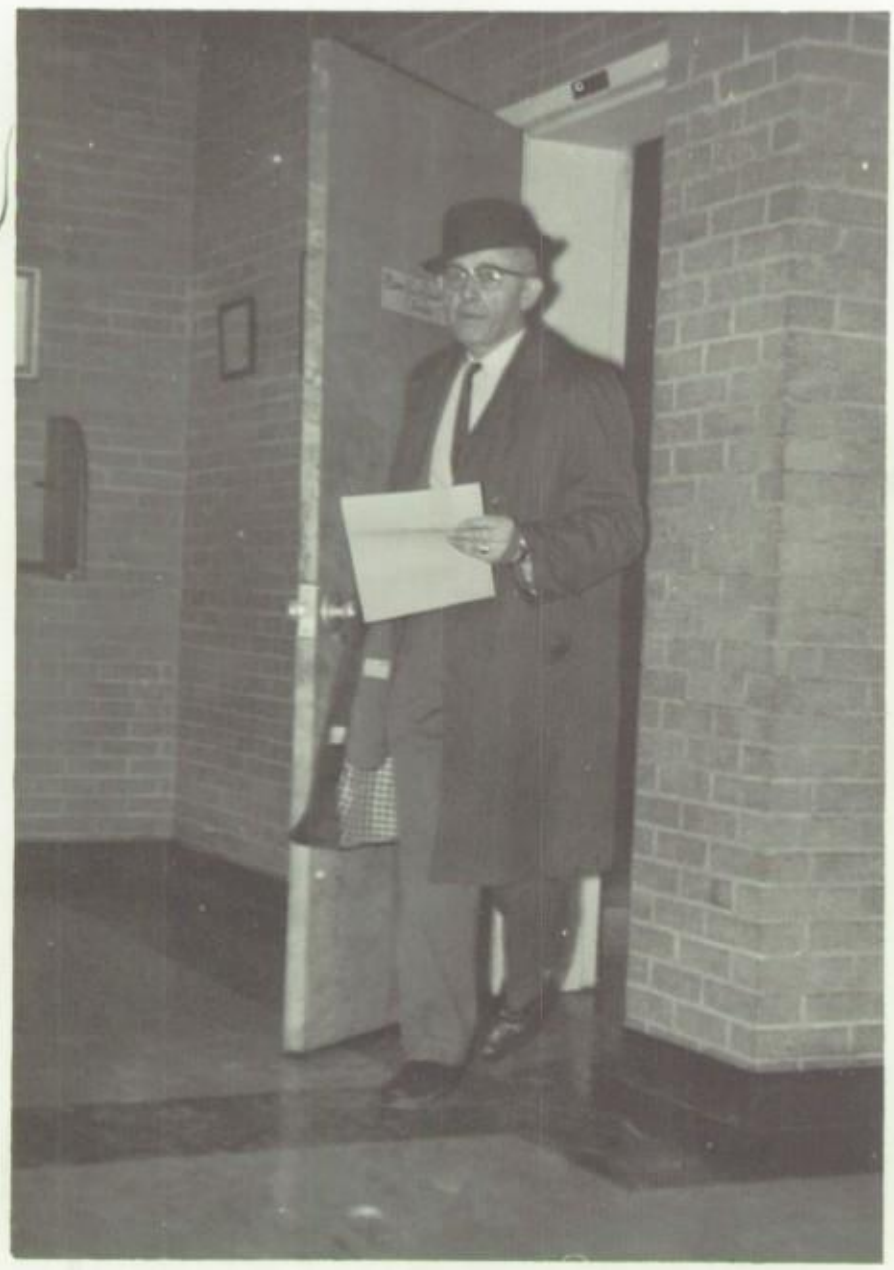


Laban E. Smith

Laban E. Smith was born November 21, 1903 in Hopedale, Ohio. His father, an itinerate oil well driller, traveled about from one oil boom to another most of his life, but he owned a farm in East Mead Township, near Blooming Valley, where the Smith family lived most of the time.

Laban Smith attended both grade school and high school in Blooming Valley where he graduated at the age of 16. He then attended Meadville Commercial College one year where he studied bookkeeping, accounting, and business law. He attended Edinboro State Normal School one summer term and started teaching in East Mead Township in 1921 before he was 18 years of age.

Mr. Smith taught winters and attended summer school several years finally taking a year off and graduating from Edinboro State Normal School in the 1927-28 term and from Edinboro College in 1934 after several more years of teaching. He attended the University of California at Berkeley in 1949. He majored in mathematics and minored in both English and social studies and was qualified to teach elementary grades.



Mr. Smith taught one term in Moon Run Allegheny County, was supervising principal of Wheatland Schools 3 terms, Math teacher and director of athletics at Sharpsville High 4 terms. He then went to industry. He spent 19 years at Talon first as a payroll clerk in the chain machine departments, then as a tool and die repairman and was in industrial department when Talon was forced to close down in 1942 because it was not on war work. He then took a course in T.N.T. making and became a War Production Job Instructor and trained the new production employees at the T.N.T. Plant during the war. After the war he came to Saegertown as a math teacher and has been here 17 years. After 30 years of teaching he intends to retire this year.

Mr. Smith takes considerable pride in his extra curricular civic activities. He has been either secretary to council, Mayor or councilman of Blooming Valley Cemetery Association for 15 years. He was a 2 year President of the Crawford County Association of Boroughs and 2 years President of Crawford County P.S.E.A.

While teaching at Wheatland, Mr. Smith became acquainted with Mildred Schell of Sharon who also taught there and she later became Mildred Schell Smith. Mrs. Smith will also retire at the end of this term after 31 years of teaching, the last 20 of which have been in Blooming Valley teaching first, second and third grades.

The Smiths have sold their place in Blooming Valley and expect to retire in Clearwater, Florida.

MUSIC

This is our Marching Band

Our 1964 marching and dancing band has been steadily on the rise to greater success. The band has traveled from North East to North Washington and many points between. It has had many first placings in parades, such as Waterford, Wattsburg, Meadville, Fredonia, and Conneautville, to name a few. The long hours of practice and being constantly on the go paid off. We would like to take this opportunity to congratulate the band on its success.

And This.....Our Concert Band

The Concert Band is a musical organization that has had quite a bit of development in the last thirty or forty years. At its birth the concert band was no more than a marching band that sat down rather than marched while they played. The Concert Band has developed to the point where there are very few, if any, marches played on a concert program. Many of the pieces played by bands today are written by major composers and are written strictly for band, not orchestra, as in the past.

The Concert Band here at Saegertown is now composed of about 65 members. The Band is attempting to play music in a variety of styles. With this variety it is hoped that everyone will be able to derive pleasure from something that is being played, if not everything.

SENIOR CHORUS

The Saegertown chorus has been formed only a few years. But in this short time it has constantly grown and improved. Both the Senior and Junior Choruses are truly fine organizations, and under Mrs. Katherine Gilmore's leadership, we are sure they will remain that way.

The District Chorus and Band students are considered to be among the best from the two organizations. With three juniors and one senior from chorus, and three seniors and one junior from band, we are sure Saegertown is represented very well this year. We congratulate these students and all others in chorus and band.

JR. BAND

The Senior Chorus Club is a newly formed club this year. Composed of about 24 members; it is functioning very well. Officers are elected at the turn of each semester. The first semesters officers were: President, Dave Shreve; Vice President, Trudy Johnson; Secretary, Elva Powell; and treasurer, Linda Wagner. Officers of the second semester were: President, Elva Powell; Vice President, Margie Rohleder; Secretary, Linda Waddle; Treasurer, Tom Rogers. This Club's purpose is to raise money and purchase needed items for the senior chorus.

We extend our wishes that the club may become a lasting part of the school's society.

Now what?

Now that you have graduated you must answer the inevitable question—"now what?" For all of you it means the continuation of studies in one way or another, because learning must and will continue throughout your lives.

In the years to come you may have no more report cards or examinations, but everything you do will be judged realistically. Your preparation for every goal will be carefully watched and evaluated.

Your courses have given you the tools for thought and judgment. They will serve you well, whatever the future has in store for you.

Here at American Viscose we owe much of our progress to new ideas, new improved methods and fresh approaches brought to us by young people like yourselves who never learned to stop learning.
